Although our thoughts, feelings, and ideas are our own, our expressions belong to those around us. Learning to express ourselves well can be a lifelong course. We voice our expressions not only with words but also with actions. In our years here at Powell Valley High School, we have learned the value of our expressions.

Miss Lora Dingus

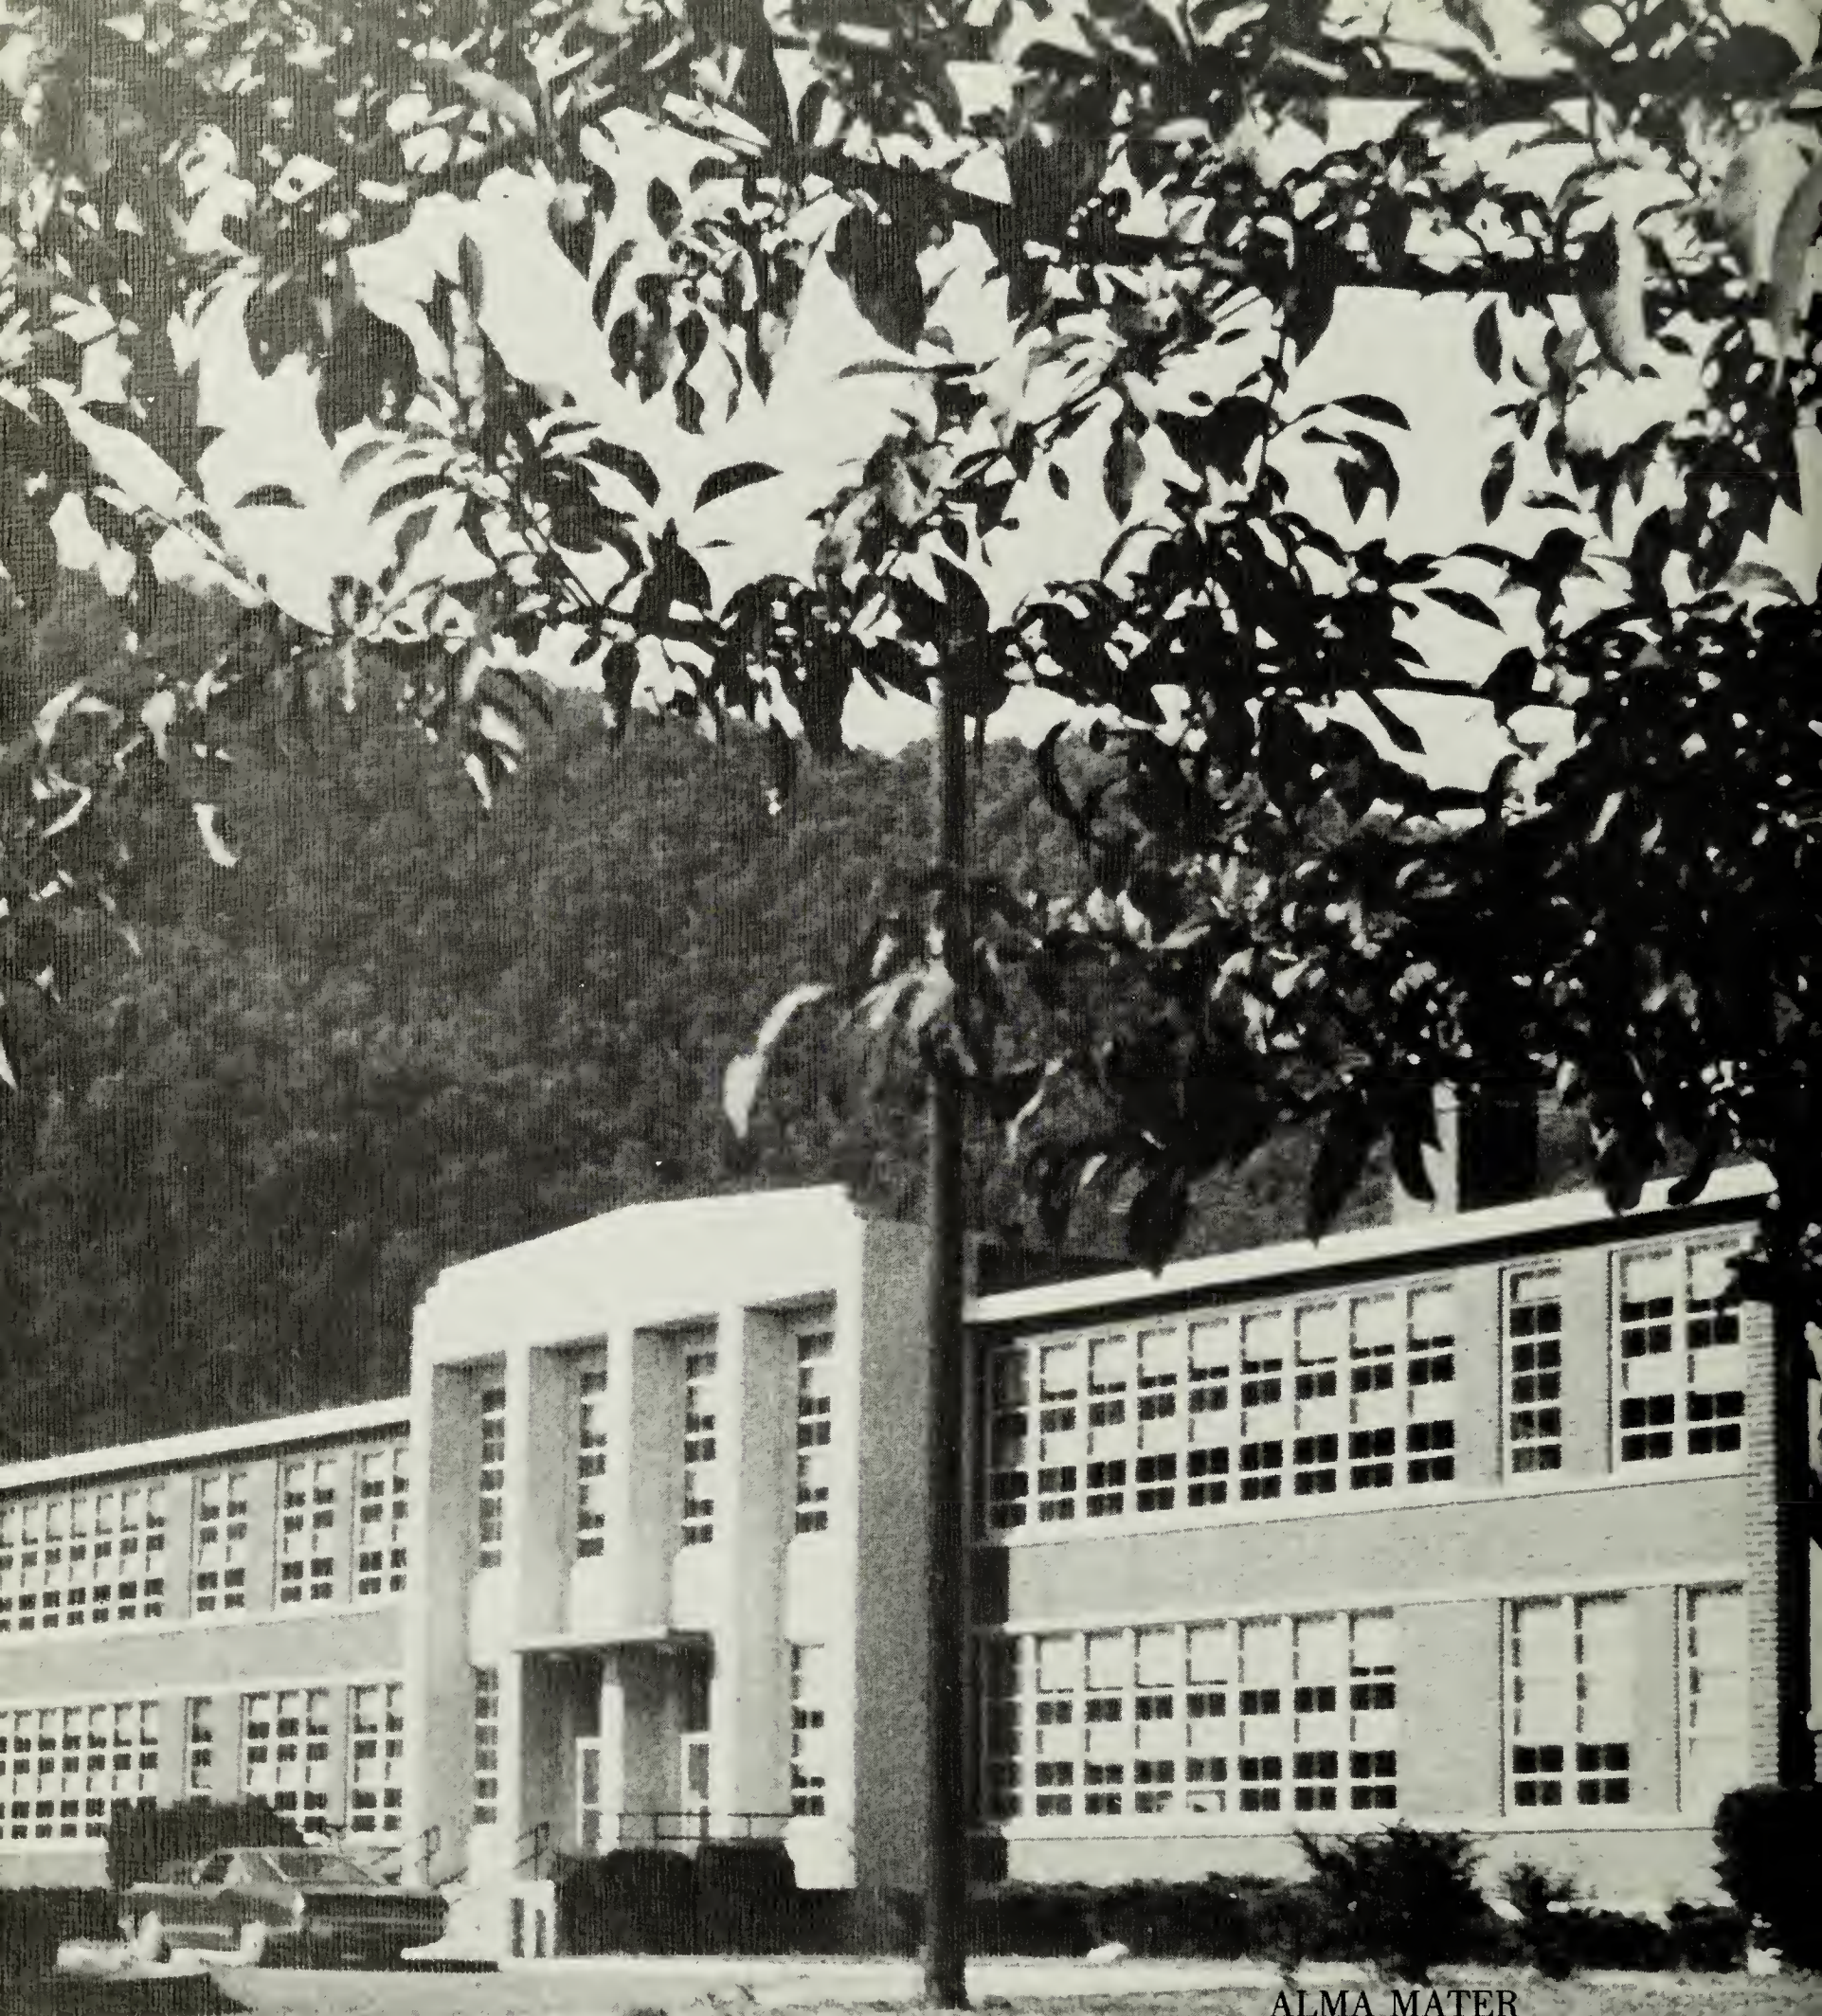

DEDICATION

Occasionally a person appears on the scene and seems to be the right person, at the right place, at the right time. They fit and wear well. They stand tall among their associates and members of their profession. Miss Lora Dingus appeared on the scene as a teacher. Although slight of stature, she stood tall in her chosen profession. She spent many years in Big Stone Gap as a teacher, and this community is better for her having passed this way.

She was a master at classroom control, imparting knowledge in her quiet, unassuming manner. Her methods inspired those who taught with her and those who studied under her.

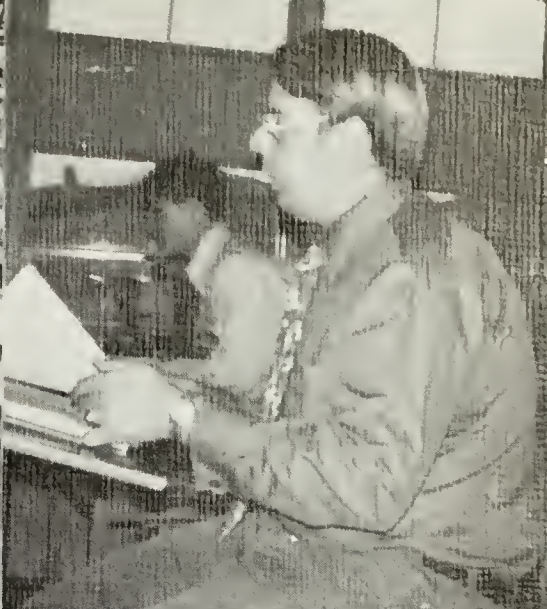

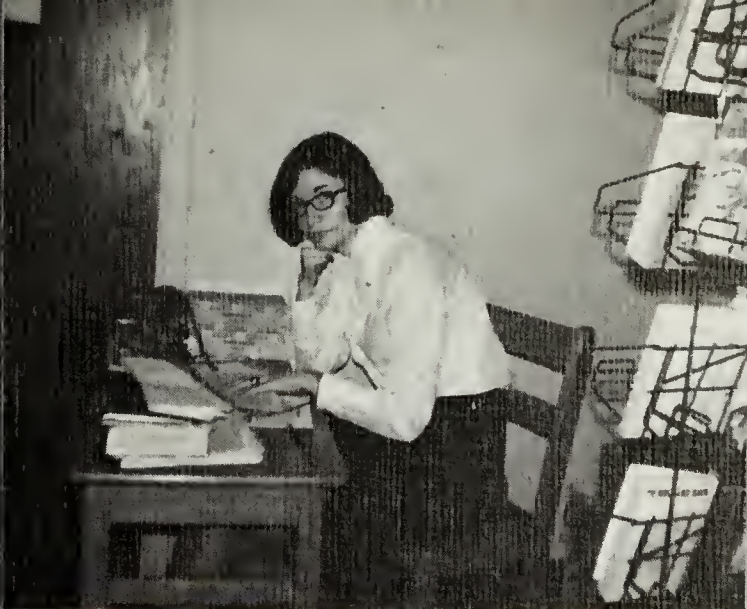

There is no question concerning her interest: the student came first. Helping with classroom work, chaperoning a dance, riding a booster bus, or working on the yearbook, Miss Dingus was always there, ready to serve.

To Miss Dingus, a teacher of exceptional skill and understanding, we dedicate this, the Thirteenth Edition of the VALHALLA.

ALMA MATER

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
 our hearts will move
To bring you honor too.
So hail to thee, O noble school:
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

Is anything ever truly new? Everything "new" that happened to us probably happened to thousands of others, thousands of times before. We could ignore this idea and try to make it on our own, or we could listen to those more experienced and learn from their achievements and mistakes. The choice was ours.

ADMINISTRATION

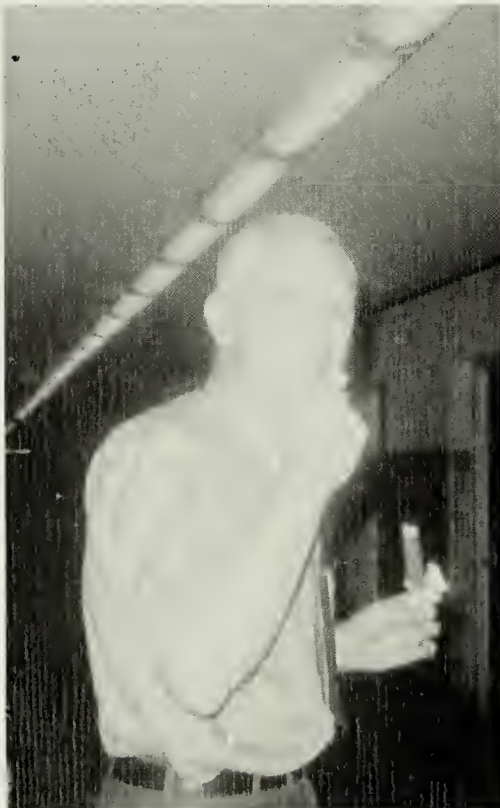

Mr. J. P. Horton — Principal

In so many ways the quality of any school is determined by the quality of principal who is at the helm. Powell Valley High School was fortunate to have had Mr. J. P. Horton as principal for eleven years. Understanding and fair, he dealt wisely with each student's problems. As a positive thinker, a dedicated educator, Mr. Horton will long be remembered by faculty, students, and patrons.

"May I have your attention, please?"

The class bell broke, but that didn't stop Mr. Horton.

"Now I want you to know that I'm very disappointed in your conduct."

The Powell Valley SCA Constitution states that the duty of this organization is to serve as the legislative branch of the student body. Being awarded the state SCA Achievement Award for 1972, we felt that we had fulfilled our duties well.

The council was composed of five officers and ten representatives. Student elections are held each spring to select new officers and representatives.

The major accomplishment of the 1972 SCA was the revision of the Constitution. The student body voted in favor of this revision. Among other activities, we sponsored Homecoming, dances, and a Christmas party for the entire school. We also held an Intermural Basketball program with Seniors taking the honors.

Special recognition should be given to Mr. Zander, our sponsor, and to Mr. Horton, our principal.

The Key Club, a service organization of Powell Valley High School, is a part of the Kiwanis International. The purpose of the club is to develop citizenship and worthiness in young men. This past year, we were engaged in such projects as collecting toys and food for the underprivileged and parking cars for various school functions. At the Annual Sweetheart Dance in February, Marcia Quesenberry was elected Key Club Sweetheart.

We would like to take this opportunity to thank our faculty sponsor, Mr. Jerry Clark, and our Kiwanis sponsor, Mr. Maurice Vanhook, for their assistance during the year.

THE LUCKY LEIFS

Each one of the seventeen members of the Powell Valley High School Library Club were encouraged to display excellent leadership, to maintain a high scholastic average, and to attend meetings.

Projects of the Library Club have included a skit entitled "Sweet Seventeen" which we presented for assembly, a Homecoming banner, a Christmas party for the faculty, celebration of National Book Week with posters made by the Art Club, attractive bulletin boards, and seasonal decorations.

The club visited Clinch Valley College and the Wise County Public Library and had dinner at the Inn for National Library Week. We also were hostesses for the Ervinton High School Library Club in April.

We want to commend our sponsor and librarian, Miss Billie Jean Scott, who with much patience and concern has directed an efficiently organized and well-operated library.

Once again the Viking Glee Club sang its way into the hearts of hundreds of students and area folks during the 1971-72 season.

At Christmastime we produced our beautiful yuletide show, a musical saga characterized by candlelight, the reading of the Christmas story from the Bible by our Principal, carols old and new, and finally, "Cantique de Noel," a brilliant production number utilizing the big Viking Band and guest soloist, Mrs. Barbara Polly.

During March and April we made a total of five performances. Once again we were assisted by the Viking Band in bringing "The Glory of Easter" to our audiences.

The Easter show turned out to be a riot of color, sound, and movement. Costuming for the Glee Club found the girls beautifully dressed in red maxis and white blouses, along with their traditional red-blue accent bars. The boys, slightly off-Broadway, came on in white trousers, multi-pastel shirts, and red ascots. For the big finale they donned white jackets to enhance the solemn cathedral-like setting.

Perhaps the highlight of our efforts was our appearance before the Wise County Education Association's annual Spring meeting at Kelly High School in Wise, in late April. Four hundred fifty teachers thrilled to the performance and placed a coveted accolade on the choral and instrumental students of our school. Such approval did not come easily. And it was worth working for.

Special thanks go to Mrs. Betty Cornett of Appalachia who added much to the professional quality of our work, and of course to Mr. Gibbs, our director, who was with us through it all.

Bailey, Wright, Buckles, Woollums

In the 1971-72 Speech Club we have learned not only to make speeches, but also to question our individual beliefs, to support them, and to express our thoughts creatively. Activities during classtime include synopses from *THE TRAIL OF THE LONESOME PINE* drama, impromptu speeches, court procedures, putting "activity" in the lunchroom on trial, impersonations, special guest singer George Reynolds, debates, sing-alongs, story-telling, discussions, all of which go along with ordinary classwork.

During the year, the club remained quite active. The debate team participated in the Clinch Valley Invitational Tournament, and both sides placed first in forensic competition. Part of the class went to Charlottesville to see other debate teams compete. We experimented with drama and worked on one act plays. The Club also had an assembly program in April.

Having many outstanding people in the class, we chose superlatives: most talented, Robert Young; most likely to succeed, Jackie Woollums; liveliest, Lou Moore, most talkative, Brenda Gamble, quietest, Susan Farmer; wittiest, Becca Wright; most serious, Sharon Moore; most congenial, Mary Lane; most improved speaker, Mike Giles; Miss Speech, Maggie Buckles; Mr. Speech, Harold Hill.

We would like at this time to thank our most devoted sponsor, Miss Mullins.

The 1971-72 Roman Club was small but enjoyable. This year the club consisted of the members of the Latin II class and honorary students as there was no Latin I class. We were disappointed because we were unable to hold initiations for new members. Every year the Roman Club helps conduct the Easter Seal drive for crippled children. The hard work of the club is worthwhile as we learn about Roman customs, culture, and influences on our own culture and language.

We do appreciate our capable instructor, Mrs. Grace Rose.

The Art Club of 71-72 has tried to create in the members the appreciation of art and design by the various projects we have undertaken, such as our participation in the Keep Virginia Clean Poster Contest, and the construction of a Nativity Scene displayed on the roof throughout the Christmas season. The Art Students were guided by Mrs. Jarrett, to express themselves with their hands and to be more observant of the different art forms in everyday life. Through Mrs. Jarrett, our teacher and sponsor, we have learned to appreciate the beauty and art of the world around us. We wish to extend our appreciation to Mrs. Jarrett for her assistance, patience, and guidance.

Throughout the year we have participated in many activities. We sponsored a bake sale and an annual Christmas party for the local underprivileged children. We also sent representatives to the Model General Assembly held in Richmond.

We feel that we have had a very rewarding year. We wish to thank our faculty sponsor, Mrs. Brenda Lee, for her interest and guidance throughout the year.

The Future Homemakers of America is the national organization for home economics students in junior and senior high schools in the United States, Puerto Rico, and the Virgin Islands.

Our goal is to work together to help individuals to improve personal, family, and community living. Our major project theme for 1971-72 was "Make time work for you." Our regular chapter meetings were organized around different phases of this topic. Mrs. Frances Botts spoke to us about careers in home economics. Mrs. Virginia McChesney gave us some insight into the problems of the retired person. Miss Billie Jean Scott discussed the wise use of one's time and the need for budgeting one's time, Miss Cox helped us examine our use of leisure time to find what it revealed about us. We didn't learn all the answers to the time problem, but we spent some time examining various approaches.

We would like to thank our able sponsor, Mrs. Horne, for her assistance throughout the year.

THE MIGHTY VIKING BAND

This year we have done it all!

Never before has the Powell Valley Viking Band been so successful. During the 1971-72 season we have received five first places, winning every competition we entered.

We started the school year with the largest band we've ever marched and a new addition: eight flag girls. Never having marched before, these girls really worked hard and made the band seem much bigger and more refined.

After several weeks of after-school drill we participated in the Chilhowie Apple Festival. With a great number of new marchers, we were slightly wary of our chances, but we did our best and we came through with first place, our first at Chilhowie in several years.

More hours of drill and several football game halftimes brought us to our most important competition, the Bristol Band Festival. For the second time in four years we made a clean sweep of the awards, with our band receiving a Division I rating, our Drum Major and Majorettes being awarded first place in Division D. Few bands will ever achieve this honor and we are the only band to ever do it twice.

In December, we joined with the Glee Club to present the annual Christmas Program. We arranged an exchange program with Jonesville. Both schools were very pleased, and we made some new friends.

We had four members to participate in All-State Band held at John S. Battle in Bristol. A very large number took part in All County Band at Powell Valley in January.

In April, the band and Glee Club again combined to present the Easter Pageant, including the fashion models and guest soprano Barbara Polly. This program was very well received by both grade schools and Powell Valley students.

We presented our Spring Concert on May 19. The next week we went back to after-school drill and Saturday, May 27, we participated in a parade competition at the Pineville, Kentucky, Mountain Laurel Festival. We again took the honors with first place in our division. The trip was greatly enjoyed and was the perfect ending to our perfect year.

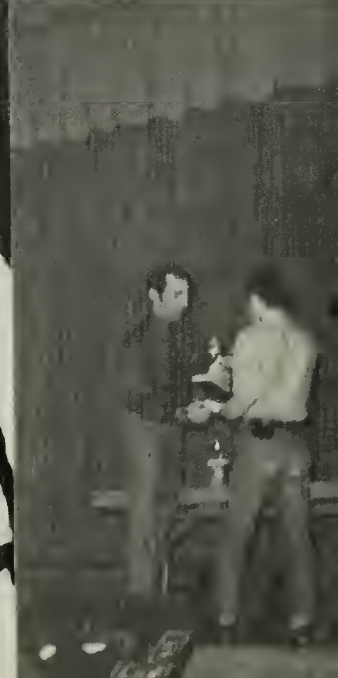

We the members of the Powell Valley Viking Band wish to thank Mr. Tipton for all his dedication and patience with us throughout the 1971-72 year.

THE VIKING STORY

The Powell Valley Viking squad was a very proud team despite its apparent small size. The "soothsayers" saw us as a possible contender for a high seat in the standings at the beginning of the year, but Coach Maddux said, "We'll be lucky to win five." Although we weren't able to live up to the expectations of the news media, we did fulfill Coach Maddux's prophecy and still closed the season with a winning record.

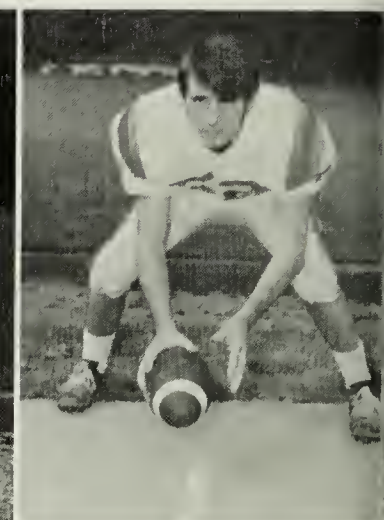

We can remember starting with that painful week in August. Much hard work was required to put a team together. The coaching staff of Cecil Maddux, flanked by his assistants, Dickie Cornett and Donald Pruitt opened to us a road of life which many of us had never traveled before and possibly never will travel again. To them we are indebted and grateful. To the Viking fans — thanks!

The Basketball Story

Once again "Burrall's Pearls" proved themselves to be tough competition. Although the roundballing Vikings didn't walk away with any top honors, they didn't give the other teams an easy time on the court. The Viking basketball team earned what they received. They worked hard at practice, developed that tough mental attitude, and always came away with that all important moral victory.

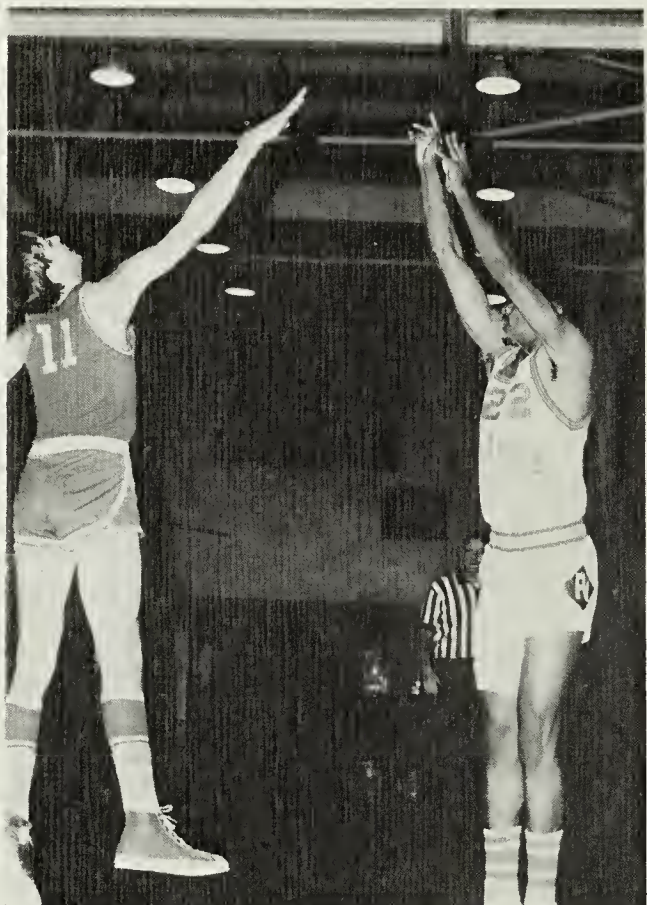

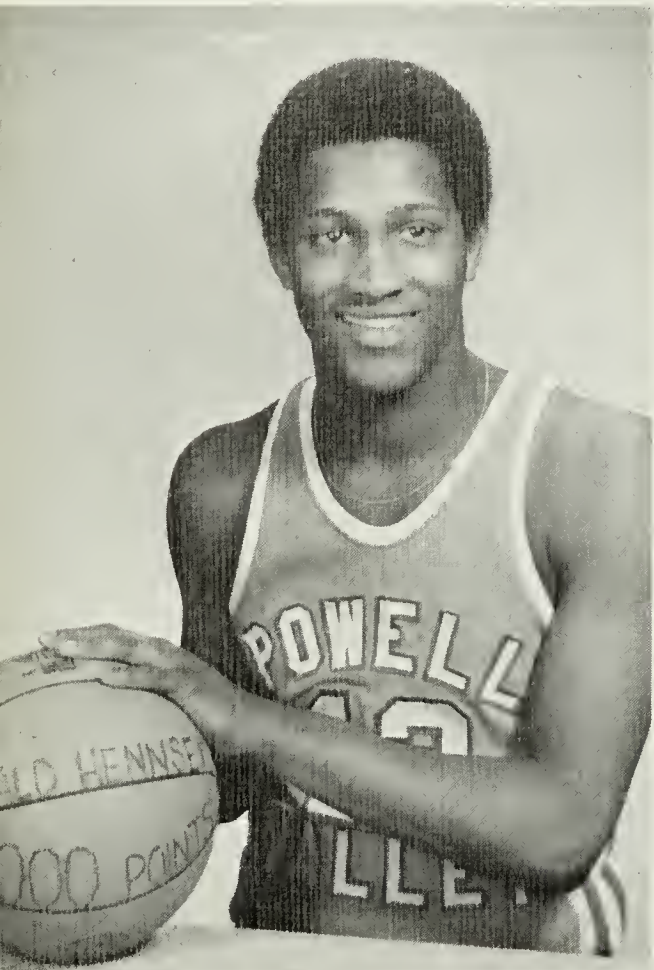

Coach Paye took his "pearls" all the way to the regionals only to find that the ride back home was a little longer than expected. As always we were proud of our Vikings and laughed or cried along with them. Good luck next year, Vikes!

The 1971-72 Cheerleaders at their best.

Cheerleaders are masters of expressions. Joy, pride, hope, and despair were all evident in the faces of our cheerleaders in various situations. But no matter how low their hopes sank, performance of duty came first. They cheered our teams on, supported them, and most of all represented Powell Valley High School.

You may think you're cute, but you don't turn me on!

A moment of silence.

Just hanging around

The cheerleaders recognized the football boys at Homecoming.
